Cordoba is a wardrobe with character. Its large dimensions and massive look get dynamism due to the motif of the fronts. They resemble a large checkerboard where fields in the sterling oak and brown concrete colours pass by each other. Association is the more natural, that the wardrobe fronts are handleless and nothing disturbs their surface.

## Available colours:

Motif appearing on the wardrobe fronts refers to Old China Yin Yang symbol. It means a balance between opposing forces. Here a mirror and glass were opposed - grey, walnut and chestnut to choose from. They are interdependent, the mirror does not exist without glass, the glass does not exist without a mirror, remaining in perfect balance.
